Upon completion, you will receive by e-mail a Binder/Certificate verifying your event coverage. The facility or venue office will also receive a certificate naming them as an additional insured.

What is SCIP?

The URMIA Sports Camp Insurance Program (SCIP) provides low-cost, best-in-class sports-specific insurance to your camp and allows you to name the college or university you are using as an additional insured. SCIP protects the camps, its coaches and counselors, and the host institution against claims by individuals who could be injured as a result of participating in a sports camp.

Activities Covered by the Sports Camp Insurance Program

This sports camp insurance program is designed to cover your camp and the college or university venue where you are holding your camp with liability insurance. In addition, your campers will be covered for medical bills related to accidents that happen at your camp with an Excess Accident Medical Policy.
